IT Maintenance Begins on 3-28-20

Beginning **Saturday, March 28, at 8 a.m. through 12 noon (ET) Sunday, March 29,** Office of Information Technologies (OIT) systems engineers will perform a variety of planned maintenance activities and upgrades.

Major IT services that will be UNAVAILABLE for some or all of the maintenance period include:

- Banner and all administrative applications including class search, Novo class search, class schedules, class registration and other self-service (SSB) systems
- Advance and other Oracle databases and related applications
- Business Objects
- Course Instructor Feedback
- DegreeWorks (Graduation Progress System)
- Permit parking (BOSSCARS and iNDCARS)
- Print@ND (Pharos)

Services NOT affected by this maintenance include:

- Internet access
- Wired and wireless network services
- Google Apps (Gmail, Calendar, Drive)
- VPN
- Sakai
- www.nd.edu (main ND web page)

If you have any questions, please contact the OIT Help Desk at 574-631-8111, oithelp@nd.edu or chat online at: help.nd.edu.
