

Register for the 2021 University Men's Golf League

League play will begin on Wednesday, May 26. Teams are comprised of at least two members and not more than four.

One person may register an entire team. **The deadline for registration is Friday, May 7.**

There are two flights: The Blue Flight tees off from 2:34 to approximately 3:45 p.m. and the Gold Flight tees off from approximately 3:45 to 5:22 p.m.

The registration fee is \$25 per participant.

The league plays on the 9-hole course (the Notre Dame Golf Course, not the Warren Course). Weekly green fees are at the \$9 league rate, unchanged from previous years. Regular league play will commence on Wednesday, May 26, and conclude with a position round on Wednesday, Aug. 11. Our year-end outing will take place the following week on Wednesday, Aug. 18.

Feel free to pass along any and all league info to faculty/staff members, including retirees, who may be interested in joining the league. Please note that spouses of university employees are not eligible for league play.

If you are an individual player seeking a team, we will try to team you up with other individuals or a team looking for another player. Failing that, we can place you on the Sub List, which makes you available to teams who find themselves short one player on any given week. The registration fee is reduced for subs but strongly encouraged to help us meet our budgetary obligations. Players on the Sub List are eligible for play in the outing.

To register or for more information, including order of play, explanation of the scoring and handicap systems, please contact our chairman, Mike Pinter via phone, 574-298-2773 (local South Bend number) or email, jmpinter@hotmail.com.
