

COVID-19 IMPACTS ON SUBSTANCE USE STUDY

We are seeking individuals to participate in a research study by the Department of Psychology at the University of Notre Dame.

Individuals Must:

- Be 18 years or older
- Be able to travel to the ND campus 4 times (optional)
- Have recent difficulties with alcohol or substances
- Have a smartphone

This study is focused on learning more about how stressors in your everyday life, including those related to COVID-19, have impacted your alcohol or drug use.

Time Commitment?

Two virtual sessions
(one 3 hour and one 1 hour) & **10-12 minutes**
Per day for 4 weeks

Compensation?

Yes! Up to \$235

Interested?
