

ECK INSTITUTE FOR  
**GLOBAL  
HEALTH**

## Notre Dame Global Health Case Competition

# Information Session and First Dinner Seminar

**August 30th | 5:30-7:00 PM**  
**McNeill Room, LaFortune**

**Guest Speaker: CRISTIAN KOEPFLI**  
Assistant Professor  
Department of Biological Sciences

The Eck Institute for Global Health is excited to announce the eighth annual Notre Dame Global Health Case Competition! The goal of the competition is to promote multidisciplinary cooperation, train future global health leaders, and provide students with a real-world problem-based learning opportunity. Undergraduate students, graduate students, and professional students from all colleges are encouraged to participate.
