

The Cryptocurrency Club of Notre Dame Presents:

For Better or For Worse

A talk on the evolution of financial markets over the last decade and where they may be headed.

With Special Guest **Tom Sosnoff!**

A former floor trader and entrepreneur who co-founded Thinkorswim (**acquired for \$750M**) and Tastytrade (**acquired for \$1B**).

Join us to hear Tom speak about his experience as a veteran trader, his take on the evolution of trading, and where the world of finance is headed.

Talk followed by Q&A
