

Apply now for the
Poverty Research Fellows program and
Summer 2025 internship.

Support the mission of ending domestic poverty with a cohort of summer interns through one of five areas of specialization:

- **economic research operations and design**
- **federal or state policy work**
- **building partnerships with service providers and philanthropists**
- **business operations and management**
- **marketing and communications**

Each semester, a limited number of students will be named Poverty Research Fellows through a selective application process. Scan below to learn more.

You're invited to an info session on
Weds., Oct. 2, 6-7pm in 118 DeBart.
Pizza and dessert provided!
