

24EB research study participation opportunity

Hello everyone,

You are invited to participate in this research study.

Notre Dame students, staff, and faculty, who are between the ages of 18 and 65, can participate in the study.

Participation involves using a web application on your laptop/ desktop system (using Chrome) to capture face images and videos in two sessions separated by **at least 24 hours**. The process can take up to 20 minutes.

If you would like to participate, please make sure the camera on your device works, and there is good lighting. Then go to this URL: <https://cvrl-flynn-ws1.cse.nd.edu:9717>

The participant must be on campus or connected with VPN to access the server.

Participants will receive three \$10 gift cards after completing two sessions that should be at least 24 hours apart.

Please write to jdhar@nd.edu (subject: **24EB research study**)

- a. adding "I participated in two sessions (separated by at least 24 hours) for the 24EB research study",
- b. if you wish to **revoke your consent** to this study (this has to be done within one week of your date of participation),
- c. for **participation incentive**, if it is not processed within two weeks after the second acquisition.

Please complete the two sessions by 8th February, 2025. Please disregard the message if you have completed both sessions earlier.

Thank you.

Kind regards,

Jayeeta
