

Research Study Invitation from the Mendoza Behavioral Lab

Hello, Notre Dame Staff!

We invite you to participate in a brief 7-minute survey to assist us with our academic research. As a token of appreciation for your participation, you will receive a \$10 Amazon gift card. Additionally, for completing the survey, you will be entered into a raffle for a chance to receive one of three \$50 prizes paid in Domer Dollars.

To get started, you will need to request a participant account in [SONA](#). The system will email your User ID, password, and a link to log in to SONA.

Note: If you have participated in a previous online study administered by the Mendoza Behavioral Lab, you may have a SONA account. Please do not create a second account; use the User ID and Password you set up earlier.

Contact the Mendoza Behavioral Lab at mbl@nd.edu if you have forgotten your login information or need assistance with your SONA account.

In SONA, a time slot is posted with several participant spaces. A participation deadline is indicated; however, we kindly request that you complete the survey promptly after signing up. Please do not reserve a space. Securing a spot may prevent those who want to participate from doing so immediately. We monitor signups, and reservations are subject to cancellation.

To sign up and complete the survey, please do the following:

- Log in to SONA at <https://mcob-communitypanel.sona-systems.com>.
- Next, click *View Available Studies*, then *Timeslots Available*. Click *View Time Slots for This Study*, followed by *Sign up*.
- Enter the invitation code that follows, then click *Sign up*. And finally, click ***Complete Survey Now***.

Invitation Code: OP2025

Note: If you see the message, "there are no time slots currently available for this study," this means that time slots are filled, and we are no longer accepting participants.

Last Day to Participate

The study concludes on **October 20, 2025, at 11:59 PM, or sooner**, depending on when we have reached our participant goal. Don't delay, participate today!

We will send gift cards, and the raffle will take place after the survey closes. Thank you for your time and cooperation.
